

Transforming the United Nations in the 21st Century

Wednesday, 10 April, 3:00 pm - 4:30 pm

Belgrade Youth Centre

- 1) *What* is our vision for the United Nations in the 21st century?
- 2) *What* are the key challenges facing global governance and democratic accountability at the United Nations today?
- 3) *How* do we organize and mobilize civil society to take action to support a system-wide stocktaking, strengthening and renewal of the United Nations at its 75th anniversary commemoration in 2020 and beyond?

The UN's 75th anniversary in 2020 must be the starting point of a global governance transformation.

This session will discuss how we may promote national, regional and global consultations across all sectors, to provide essential inputs from civil society for a system-wide stocktaking, strengthening and renewal of the UN in 2020 and beyond.

Facilitators:

- Jeffery Huffines, *Senior Advisor for UN2020, CIVICUS (USA)*
- Giovanna Marques Kuele, *Research Fellow, Igarapé Institute (Brazil) & member of Together First*
